Academic Achievement Awards

THE SANTA ANA UNIFIED SCHOOL DISTRICT
HONORS

The Top 84 In '84

TWENTY-FIFTH ANNUAL

Academic Achievement Awards

MAY 17, 1984

at

McFadden Intermediate School Theatron

Scholastic achievement is the primary goal of the instructional program in our schools. Students who, through the use of their abilities and their efforts, achieve high academic standing are recognized in their schools through honor societies, assemblies, school recognition dinners, and school awards.

Through the means of this annual event, the top academic students in each of our public high schools are honored on a District-wide basis. We realize there are many more fine scholars in our schools; however, we have selected those who, by their academic standing, have been placed at the top of the list in their school. We commend these young people upon their accomplishment and tonight honor and salute the top 84 in the year 1984.

BOARD OF EDUCATION

Joan Wilkinson, President

Sadie M. Reid, Vice President

Mary J. Pryer, Clerk

James A. Richards, Member

James E. Ward, Member
